

QD-2 QuickDisc

With its user friendly one button operation, sleek desktop footprint, and office environment aesthetics, the QD-2 is perfect for any user requiring easy copying of audio, video, or Data CDs. Superior technology allows the Quick Disc to ship without a hard drive; duplication of CDs is done on the fly. LED indicators provide the user with status of the duplication process, minimizing the number of faulty discs. Current high speed CD Recordable technology is supported at 16X. Applications suited for the QD-2 include Pro Audio, Multimedia, Government / Education, Software Development, Medical Imaging, and Data Interchange.
